Subject: j++i cover letter
Position name: j++i

Dear hiring manager,

I am writing today to showcase three ways in which I would be a valuable asset to j++i in the role of j++i.

Firstly, j++i

Secondly, j++i

Thirdly, j++i

The three reasons highlighted above lead me to consider the role of j++i at the very intersection of my experiences, education and passions. Beggining a career at j++i

Thank you for your consideration thus far,

Marius Peter
